

January 2024

Dear TRANSIT stakeholders,

Below are the most recent updates from our project:

- Our partners from the Universidad Politécnica de Madrid (Araceli Hernández), together with the APPA Renovables, participated in the Feria Genera, the largest fair about Energy and Environment in Spain, to talk about the challenge on education in renewables and the contribution of our project to these important goals.
- We are conducting a research study on the societal impact of the energy transition, and we kindly invite you to participate in it. Participation is completely voluntary, and will not take more than 25 minutes of your time. To participate in the survey, please click here: <https://shorturl.at/foKPY> Shall you have any questions or concerns, please reach out to horizon-transit@fir.mt

With regards,

The TRANSIT consortium
